Sponsor Opportunities

Promote Solutions for Law Enforcement and Retail Loss Prevention

<p>Why Join the Virtual Event?</p>	<p>Organized by the California Organized Retail Crime Association (CAL-ORCA) and the California Retailers Association (CRA), this virtual event serves as an important next step in continuing the focus on organized retail crime in California and finding innovative collaboration and solutions to current challenges. The event expects to 250+ law enforcement and retail/restaurant loss prevention representatives from 100+ California law enforcement agencies and 100+ retail companies. The event will offer important and timely perspectives and training, as well as provide private sector solution providers an opportunity to join the discussion and promote products and services.</p> <p>Event website - CRA/Cal-ORCA Virtual Event 2023 Contact - Mark Lorimer, mark@eventivegroup.com</p>
<p>When is the Event?</p>	<p>Wednesday, November 8, 2023</p>
<p>What is the Agenda for the Virtual Event?</p>	<p>This is a one-day event featuring four hours of ORC and loss prevention training essential for California agencies and retailers.</p>
<p>Which Groups Host the Cal-ORCA Event?</p>	<p>The Event is hosted by California Organized Retail Crime Association (CAL-ORCA) and the California Retailers Association (CRA)</p> <p>CAL-ORCA is a statewide crime-fighting partnership between law enforcement and the private sector. This alliance allows retailers and law enforcement to communicate about criminal activity impacting businesses on a real-time basis while preventing other partners from being victimized. The searchable website and its mapping capabilities are focused on providing real-time crime alert system. Through this collaborative partnership, law enforcement and the business community will be able to work together to identify offenders and resolve cases, all while developing new and innovative ways to combat ORC networks.</p> <p>The California Retailers Association promotes, preserves and enhances the retail industry in California. The CRA protects the industry by taking significant leadership positions in the development of public policy and regulator measures that impact its members and the business climate in the state. CRA's focus is to enhance the image of the retail industry - to policy makers and consumers - by providing information, services and support that adds value and profitability to its members.</p>
